OTHER IMPORTANT AGREEMENTS

1. FINANCE CHARGE AND PAYMENTS

- How we will figure Finance Charge. We will figure the Finance Charge on a daily basis at the Annual Percentage Rate on the unpaid part of the Amount Financed.
- How we will apply payments. We may apply each payment to the earned and unpaid part of the Finance Charge, to the unpaid part of the Amount Financed and to other amounts you owe under this contract in any order we choose.
- How late payments or early payments change what you must pay. We based the Finance Charge, Total of Payments, and Total Sale Price shown on page 1 of this contract on the assumption that you will make every payment on the day it is due. Your Finance Charge, Total of Payments, and Total Sale Price will be more if you pay late and less if you pay early. Changes may take the form of a larger or smaller final payment or, at our option, more or fewer payments of the same amount as your scheduled payment with a smaller final payment. We will send you a notice telling you about these changes before the final scheduled payment is
- You may prepay. You may prepay all or part of the unpaid part of the Amount Financed at any time without penalty. If you do so, you must pay the earned and unpaid part of the Finance Charge and all other amounts due up to the date of your payment.

The annual percentage rate for the refinancing will be the lower of the rate agreed to by you and us at the time of refinancing or the maximum rate permitted by law. The term of the refinancing will be based on the amount refinanced, the rate, and the amount of the monthly payment. The refinanced monthly payment will be the same as in this contract if the refinanced amount will be fully paid within 36 months of the due date of the Balloon Payment. Otherwise, the monthly payment amount will be the amount needed to fully pay the refinanced amount within 36 months of the due date of the Balloon Payment. You Z must take the vehicle for inspection, to a place we select, no later than 15 days prior to the Balloon Payment due date. At that time, you must also give us a title, which shows no liens other than our lien, transferring ownership to us or a person we select. After the inspection, if you decide not to sell the vehicle to us, you must immediately contact us and tell us whether you want to pay or refinance the last installment payment.

You must pay us the excess mileage fee shown above. You are also responsible for repairs of all damage to the vehicle that is the result of excess wear and use. These repairs include, but are not limited to:

If you have not made the repairs before inspection of the vehicle you will owe the estimated costs of such repairs, even if the repairs are not made prior to your sale of the vehicle to us. If you disagree with the estimated costs of repairs, you may have the repairs made at your expense prior to your sale of the vehicle to us.

If you do not have this insurance, we may, if we choose, buy physical damage insurance. If we decide to buy physical damage insurance, we may either buy insurance that covers your interest and our interest in the vehicle, or buy insurance that covers only our interest.
